MultiBank FX Account Number:

Transferring To

MultiBank FX Account Number:

Reason of Transferring :

.....
.....

In the connection with undersigned customer ("Customer") having agreed to transfer an account between MultiBank FX, hereinafter referred to as the "The Company", introduced Brokers, for the trading of over-the-counter spot, forward, and options contracts for foreign currency (collectively, "foreign currency contract"). Upon present of this document by customer , The Company is hereby directed to closeout all open foreign currency positions held by Customer and transfer immediately from current MultiBank FX Introduced Broker to new MultiBank FX Introduced Broker all funds, security, or property deposited in such account to margin, or to secure such positions. The Company is further directed to send Customer a confirmation of the transfer.

Clients are advised to close all open positions before submitting any applications that result a change of group in account setting. We reserved the rights of explanation.

I, the undersigned, hereby authorized MultiBank FX approve the transfer funds.
